

Menasha Parks and Recreation Department 2008 Banned Bat List

Player safety is the number one consideration in the Menasha Parks and Recreation Department coed and men's softball leagues. For 2008, the Menasha Parks and Recreation Department will be using the Amateur Softball Association (ASA) non-approved bat list as the official non-approved bat list. This is the same list used in Appleton. Bats that are 100% composite, essentially this means a bat must have aluminum in it, or titanium are also banned. Check www.justbats.com for composite information on a particular bat. Newly manufactured bats this year will not be approved for play as they have not been tested by the ASA. To check your bat for approval, refer to this list first or www.asasoftball.com.

Get Your Bats Stamped Before You Play

Bats can be stamped at the Captain's meeting on Tuesday, April 15th or Thursdays, April 24 and May 1 from 3:00-4:00 PM at the Park and Rec. office, 2nd Floor, City Hall.

The following bats will **NOT** be legal for play in the Menasha Parks and Recreation 2008 softball leagues. Player and/or team discipline may result if any illegal bat is used.

Anderson Techzilla Reborn	Louisville Slugger SB72N TPS
